

IMPORTANT INFORMATION

PLEASE READ

Rules and regulations governing the use of this poly-cart.

1. All trash must be in the poly-cart before it will be picked up.
2. All water shall be drained from garbage and garbage placed in plastic trash bags. No loose trash shall be placed in the poly-cart.
3. All poly-carts shall be kept in a clean and sanitary manner. The city reserves the right to require cleaning of any container found unclean, at the resident's expense.
4. Poly-carts are issued by serial number to a specific resident and can not be moved to another site without approval for moving by the city.
5. Duties and responsibilities of you:
 - a. Maintain each container in a clean and sanitary manner.

b.Refrain from injuring, damaging, mutilating, defacing, destroying or substantially impairing the use of the container.

c.Drain all excess liquid from the poly-cart as necessitates, and place all refuse, garbage and trash in a plastic bags before placing in the poly-cart.

6.The city reserves the right to designate the location of where the containers are to be placed on the premise. On collection day the container shall be placed as close as practical to the street, unless an alternate location is approved by the sanitation crew. All emptied containers shall be returned to a location off the street.

7.The City **does not** pick up heavy accumulations such as brush, tree limbs, broken concrete, sand or gravel, automobile frames, dead trees, construction demolition or materials, and other bulky heavy materials. Disposal of such material is the responsibility of the owner or contractor.
